Caruaru Polpas

Caruaru Polpas began its operations in 2004 with the goal of achieving high-quality production to serve the most discerning consumers. To meet this standard, the company has undergone several transformations over the years, always staying attuned to market demands.

We have invested heavily in our physical structure, machinery, and state-of-the-art equipment. Today, with a modern industrial park and a production capacity of 500 tons per month, we are one of the most recognized and top-of-mind brands in Pernambuco.

We also boast an extensive distribution network throughout the Northeast and Southeast regions of Brazil—all made possible by our commitment to people, professional ethics, and the collective effort of our entire team.

Our Facilities

Caruaru Polpas boasts extensive facilities, a highly trained team, and high-quality equipment, all of which are approved by the Ministry of Agriculture, ensuring the best service for our customers.

Distribution Reach

Caruaru Polpas products have already conquered Brazil. We are currently present in the following states:

- Rio de Janeiro
- São Paulo
- Ceará
- Pernambuco
- Paraíba
- Alagoas
- Bahia
- Piauí
- Rio Grande do Norte
- Maranhão
- Sergipe

CHEGOU O PRE-TREINO NATURAL DA CARUARU POLPAS

EMPRESA

A Caruaru Polpas iniciou as atividades em 2014, com o objetivo de produzir com alta qualidade e ser de referência nos mercados regionais e nacionais. Para isso, a empresa passou por muitas transformações. Durante os anos, sempre esteve se reinventando.

Investimos pesado em tecnologia, maquinário e equipamentos de última geração. Hoje, com um modelo sempre atual e uma produção de 200 toneladas por mês, somos uma das maiores empresas localizadas em Pernambuco. Contamos com uma ampla rede de distribuição também em todo Nordeste e Sudeste, tudo isso graças ao comprometimento com os produtos, a área profissional e ao intenso contato de toda a equipe.

Missão

Entregar um produto de alta qualidade e respeito ao natural, proporcionando aos nossos clientes, parceiros e distribuidores satisfação completa desde a origem até a consumidora.

Valores

Honestidade, disciplina, comprometimento, responsabilidade e determinação constante.

Visão

Valorizar todos os nossos colaboradores e manter em nossa tecnologia, visando desenvolver um conceito de produto natural e sustentável, com um alto nível de qualidade, ser e destacar, as necessidades de todos para e do mundo.
